

# True Raw Choice

**NATURAL DEHYDRATED**  
**DOG & CAT TREATS**

**Dehydrated Process:**  
 Dehydrator runs at a temperature of between 155 to 160 degrees Fahrenheit. All meats are Canadian sourced, from HAACP certified, local government inspected facilities.

## Why Feed Our Dehydrated Treats:

- 100% Natural
- Local Ingredients
- Single Ingredient
- All Nutrients remain and are unaffected by the process, in fact our treats are still considered as “RAW”
- No Grains, No Fillers, No Additives, NO PRESERVATIVES OF ANY KIND
- Hormone and Antibiotic FREE
- Healthy Treats for Dogs and Cats
- Very Palatable and Wholesome Treat
- Excellent for finicky Pets with Sensitivities
- Great Training Reward

Dehydration process results in a true “raw” treat. All meats are Canadian sourced, from HAACP certified (highest standard), local government inspected facilities.

**THE ULTIMATE AND HEALTHIEST TREAT...AS NATURE INTENDED**
